HEYDAR ALIYEV CENTER

The Heydar Aliyev Center is a 57,500 m² (sq ft) building complex in Baku 619,000) Azerbaijan designed by Iraqi-British architect Zaha Hadid and noted for its distinctive architecture and flowing curved style that eschews sharp angles. The center is named after Heydar Aliyev the first secretary of Soviet Azerbaijan from 1969 to 1982 and president of Azerbaijan Republic from October 1993 to October 2003.

I started out trying to create buildings that would sparkle like isolated jewels; now I want them to connect, to form a new kind of landscape, to flow together with contemporary cities and the lives of their peoples.
